This will be one of the highest-quality offerings of good calving-ease bulls that sell anywhere. Bulls purchased from Musgrave Angus have excelled for their new owners. • MA Broadside 1334-822 sold to TC Ranch, NE. the first 23 sons to sell averaged over \$5+,400 in their 2008 bull sale and were the top-selling sire group. • MA Magnum 33-53 sold to Panther Creek Ranch, IL. The first 14 sons to sell averaged over \$3,400 in their 2008 bull sale and were the top-selling sire group. • MJ Right Time 374 sold to Slager Angus, MO, who own 150 registered Angus cows. A quote from Jim Slager, the most consistent and best calves I ever had in 38 years in the purebred business. • MA Coldfront 130 sold to Ethington Angus, IL. He sired numerous high-quality and top-selling offspring for several years. • MA Movin' On sold to Horsley Brothers, IL. The first three heifer calves to sell averaged \$5,000 in their fall 2008 sale and the keepers are just as fancy. • MA Freedom 475 sold to Betzold Angus, IL, and sired the top gain indexing and high-selling bull at the fall 2008 Indiana Bull Test. • MA Advance 1285-453 sold to commercial cattleman, David Barton, IL, and sired the \$50,000 Grand Champion L of L. steer at the 2008 IL State Fair, shown by Kendal Stahl. Just as important are the hundreds of calves sired by our bulls that good purebred and commercial producers have purchased to forward their programs, and sell quality market topping offspring. From a family that knows and understands the hard work and challenges of raising livestock for 45 years, we continue to meet the performance needs of our customers.
