"Pick 'em In Pike" Sale

Saturday **March 19, 2011** 1 p.m. CST at the Farm
Selling 50 Breeding Age Performance Bulls, 25 Select Females, and Embryos

This is one of the best sets of cattle we have ever produced. If you are looking for your next herd sire or wanting to add a new female make plans to attend. These cattle are backed by generations of proven genetics that work for commercial and purebred cattlemen alike. Our family has built this herd from the ground up and is dedicated to quality and customer satisfaction.

MCATL REFLECTION 120-577

One of the most impressive Reflection sons ever produced from an outcross Bandy Maid dam, who has weaned 10 at 102. She has consistently produced herd sires and donors that have excelled in purebred and commercial operations. He is a maternal brother to M A Movin' On 436, a featured sire at Hensley Cardinal Cattle, IL. His maternal sister, M A Bandy Maid 873-577, sold for \$25,000 to MAC Cattle, Ky.

MCATL STIMULUS 1050-634

CED +7 BW +1.0 WW +60 YW +101 MIB +14 SB 58.19
This son of Connely Stimulus has done everything right, maturing 94 at birth and 112 at weaning. His dam by Alliance has a NR of 4 at 107. Great herd sire material.

MCATL REACHOUT 690-7017

CED +5 BW +2.6 WW +58 YW +100 MIB +29 SB 55.40
An eye catching Reachout son that was produced from the elite Mill Base Joanie cowline. His mother sired by Morgans Direction is a real "Knock Out".

MCATL TANK 1029-55

CED +3 BW +2.7 WW +60 YW +110 MIB +24

This son of SAV Pioneer has excelled since birth, maturing only 91 and then earning a weaning ratio of 108. His 2yr old mother did a great job and is on track to be a top producer.

M A ESTA 55-252

Maternal Brother to Pure Product
A maternal brother to the \$37,000 MCATL Pure Product. Sired by the MA Broadside 1334 son, TC Tank 7101. His powerful dam, M A Esta 55-252, by Alliance 9126 has transmitted extra capacity and bone into this powerhouse bull.

MCATL PIONEER 103-828

MCATL FINAL PRODUCT 520-495

Out of one of the hottest sires in the land, Connely Final Product. From a dam by Site Tradition who produced the \$17,000 MCATL Triple Stack 809-495, a featured sire at Hoover Angus, IA. He is super thick and very complete, not a lot of faults here. Potential to be a leading herd sire.
